

Board of Visitors for UGA-Griffin

The Board of Visitors for UGA-Griffin serves at the invitation of the Senior Vice President for Academic Affairs and Provost. Members of the board provide input and ideas to help advance instruction, research and outreach at UGA-Griffin. Additionally, the board helps UGA-Griffin establish new relationships and strengthen long-standing ties with the surrounding community. UGA is committed to a vibrant UGA-Griffin, and the Board of Visitors plays an important role in achieving that vision.
