The 70th Annual Southeastern Turfgrass Conference will be held on Tuesday, April 26th at the University of Georgia, Tifton Campus Conference Center. If you are going to be in Tifton on April 25th, please join us for Dinner at the Golf Club of South Georgia at 6:30pm. Bring your conference program earlier that afternoon to receive a green’s/cart fee of $25 if you would like to play golf on your own. Program details and directions will be available shortly, but this year there will be a morning session covering a variety of topics on financial and property planning in addition to an update on the newest developments in turf and ornamental cultivars and their management during the educational sessions. Some topics to be covered this year include:

- Turfgrass Breeding Updates from the University of Georgia
- Current Tax Legislation and Planning Opportunities
- Keeping Your Farm in the Family
- Environmental Fate of Pesticides
- Disease Sampling and Fungicide Options
- State of the Turfgrass Industry: Changing Trends and New Directions
- How an Analytical Laboratory Can Improve Turfgrass Management
- Next Generation Nematode Control
- Bermuda and Zoysia Putting Greens
- Persistence, Survival And Recovery Of Turfgrass For Sustainable Urban Landscapes Under Limited Irrigation And Long-Term Drought
