

Sunday -Feb. 19th, 2017- 15th Annual 4-H Tidelands Nature Center **'ART INSPIRED BY NATURE' SALE**

Art Sale Exhibitors:

Thanks for your interest in participating in the **15th Annual 4-H Tidelands Nature Center Art Sale**. The art sale will be held on **Sunday, Feb. 19, 2017** from **10:00am- 4:00pm** inside the **Morgan Center** facility, located **in the Jekyll Island Historic District**, (adjacent to the Sweet Shop). Parking for the event will be located on the east side of the Morgan Center facility. The event will be held on a **SUNDAY**. We anticipate foot traffic flow throughout the day, with the help of church-goers attending in the afternoon, along with morning visitors to the historic district and early-bird island residents stopping in to shop for some of their favorite art sale treasures. **Please plan to arrive on Sunday between 8:00-9:30am for exhibit set up.**

We are requesting a minimum **\$95.00** donation to Tidelands for your exhibit space (approx. 10' x 10'). However, if you require electricity or a standard size 6' table for your exhibit area, there will be an **additional charge of \$25.00**. Keep in mind, if your exhibit set up includes a standard size table you are required to utilize a table provided by the Morgan Center. Exhibitors requiring more than 1 table will be required to pay **\$25 per table**. If you do not require a standard size table or electricity for your exhibit space, you will simply pay the minimum **\$95** for a single exhibit space. However, should you require double the exhibit space, you will be required to pay for the additional space. **Please inform us of your exhibit set up and table requirements when registering to exhibit. Table, or no table, we need to know your exhibit set up, to accommodate everyone. Please call to convey your exhibit space needs, so we can provide enough tables, as well as leave space for wall type set ups. As usual, outside spaces are available for anyone interested as well.**

☺ **Remember this is a benefit, so anyone interested in making a greater monetary contribution is welcome!** Or you might be interested in donating a piece of art work for our silent auction. Please let us know as soon as possible if you will be contributing a piece of your artwork. We would like to showcase as many artists as possible in our silent auction again this year! Please indicate with your application if you will be contributing a piece of art work, as well as the item name and suggested value. Your generous donations are greatly appreciated.

Please make checks payable to: **Georgia 4-H Foundation**, indicating 'Tidelands' in the memo section of your check. Donations are tax deductible. Your donations will assist with the development of exhibits at Tidelands Nature Center. **Please send payment after January 1st** to: 4-H Tidelands Nature Center 100 S. Riverview Dr., Jekyll Is. GA 31572. Remember to **contact us as soon as possible by telephone to ensure space is available and to request your exhibit space and table needs. Remember, we will need to have an idea of your set up.**

Once again, a good deal of effort will be put into local advertising to ensure a successful show. We look forward to another great year, with a wonderful assortment of local artists. And as always, we hope the **15th Annual 'Tidelands' Art Sale** will be beneficial for all involved! Thanks again for your participation and support. We look forward to seeing you on **February 19th**! Please call **(912) 635-5032**, if you have any questions or concerns.

Sincerely,
Dawn Zenkert, 4-H Tidelands Coordinator
